SWEET SAILOR

We all look for a safe harbour to rest our weary bones... As we roam the world, some places get under our skin. Some visits even become a permanent souvenir on our skin.

These Pomme pidou pirates may look tough on the outside, their pure hearts long for your soft embrace.

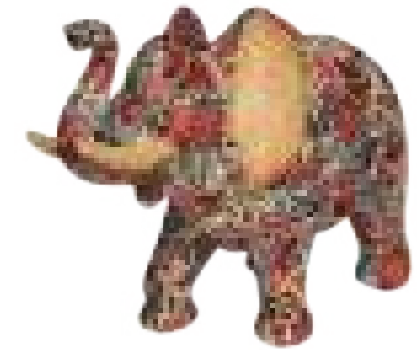

That's arrrt, maties!

DOWNTOWN MADNESS

Art is everywhere.

In the urban jungle of great cities, walls of abandoned buildings and warehouses become a canvas for many 'spray can creatives'.

We have captured this raw energy and unique visual language to make these roaring Pomme pidou pets go "pssh"! As bombastic as fantastic.
