

A large, polished metal apple sculpture is the central focus, resting on a dark wooden deck. The apple is highly reflective, mirroring the ambient light and the surrounding environment. In the background, a modern building with large glass windows is illuminated from within, and its reflection is visible on the water. The scene is set at night, with city lights and a construction crane visible in the distance. The deck is bordered by a metal railing, and the overall atmosphere is serene and modern.
