

# EGGAN ITALY

The image features two ceramic planters designed to look like the faces of women. The planter on the left is yellow and has a woman with blonde hair, closed eyes, and red lips. The planter on the right is brown and has a woman with dark hair, closed eyes, and red lips. Both have freckles and are wearing necklaces. They are placed on a green surface. In the foreground, there is a rolled-up magazine with 'L'UNEP' visible, a notebook with 'De P...' on the cover, and some other papers.

## A FANTASY MADE OF PASSION

Our products reflect our history and our values, over twenty years of experience in blending shapes and colours, until we reach a balance that immediately brings us to the EGAN world.

Each creation is made with care and passion for details, the result of a craftsmanship that remains unique and exclusive, the heritage of those who like us are the sons of a past made of shop masters.

The work of expert hands gives us objects animated by "perfect imperfections", unquestionable brand of artisan production.

It is in this intimate and innermost process that emotion takes shape and EGAN collections arise.

The pictures in this catalog are for illustrative purposes only, so colors may differ slightly from the actual ones due to printing processes. FORMA ITALIA Srl reserves the right to make changes to its production without any commitment to notice.

Metamorphosis, transformation, change...  
Calm, reflection, wisdom... the GOOFIs have come!

A GOOFI is... a myth, a star that turns into an icon to recover  
calm and wisdom.

We all have a GOOFI which can warm our heart, remind us of a  
moment, let us relive an emotion.

The GOOFIs have come, nothing will be as before any longer.
