Christmas 2024

A FANTASY MADE OF PASSION

Our products reflect our history and our values, over twenty years of experience in blending shapes and colours, until we reach a balance that immediately brings us to the **EGAN** world.

Each creation is made with care and passion for details, the result of a craftsmanship that remains unique and exclusive, the heritage of those who like us are the sons of a past made of shop masters.

The work of expert hands gives us objects animated by "perfect imperfections", unquestionable brand of artisan production.

It is in this intimate and innermost process that emotion takes shape and **EGAN** collections arise.

The pictures in this catalogue are for illustrative purposes only, so colours may differ slightly from the actual ones due to printing processes. FORMA ITALIA Srl reserves the right to make changes to its production without any commitment to notice.
