iGIRGENTI

*“Once upon a time there was a kingdom
known for its knightly duels
Princes came to court from all around the world
riding the most beautiful and fastest steeds
One day, the king and the queen said:
“Winners will get the hands
of our beloved daughters”
He gave her a red rose,
so he challenged the winner of the tournament
But one of the two princesses was hiding a secret,
she was already in love with another prince
After innumerable sword thrusts,
her beloved won the duel, and they lived happily ever
after.”*
